(P. 49 - )

"Invoke Jesus in your hearts"

Our Lady said: "*I am your Mother. I have come to teach you love*" and at this time we look at Jesus as a living Child. He becomes poor, even smaller.

He becomes daily bread and enters into our life. He has done everything : now it is up to us to open our heart.

Jesus comes in the Host: He has come. How many times do we receive Holy Communion without thinking of Who has come, Who we have accepted !

Invoke Jesus in your hearts.

We have prayed and sung for two hours. Now enter into the depth of your hearts. Invoke Jesus with faith and when we are all united in love, in faith, let us pray for the sick.

It is thus that Our Lord can make signs amongst us.

Many times, as we know from the Gospel : He cannot do anything in the way He did at Nazareth because we do not believe.

Jesus Himself said: "I cannot do it, because you do not believe".

So all these prayers prepare us and open our hearts. Now abandon yourselves in real communication with Jesus.
